Volunteers Make a Difference

I can't thank you enough for your kindness, thoughtfulness & assistance. It would not be possible for me to live here with all my doctor's appointments. It is beautiful desert living that you made possible for me and so many others. Thank you also for the VerdeCares vehicle on site which makes transportation easier for me and the volunteers. Blessings to you all! - Trilogy

VerdeCares, thank you for being there for us! We couldn't have made it without your wonderful drivers. It's been hard with both my husband & I having strokes 2 weeks apart, plus my hip surgery. Thanks to you, we never missed a doctor's or rehab appointment. The Corn Chowder soup you delivered to us was delicious. We appreciate the caregiver referrals that you sent us as well. We could not live here without your help. You're Priceless! ~ Trilogy

We can't overstate how grateful we are for everything that VerdeCares has done for us. There's a special place in heaven for all of you to acknowledge all the good work you have done. No words can describe the love & generosity you have brought to the community. You all have been perfect role models. Thank you & God Bless You All !- Tonto

As I met other Memory Loss Caregivers, I felt understood & much less alone in my grief. As a caregiver who's loved-one has chronic diseases, one can't live with the occasional feelings of ambiguous loss & unresolved grief. The education & sharing in VerdeCares Support Groups, has provided optimism rather than unconscious denial. Thank you VerdeCares!

Sending more appreciation than words can say. I started here as a VerdeCares Volunteer & I never in my wildest dreams thought that I would be the one needing help. I don't know what I would have done without VerdeCares. Thank you for all the support during those 4 months of unexpected health issues & my emotional rollercoaster. The assistance given to my family in delivering medical equipment, providing the best rehab hospital & caregiver referrals, the assistance with the Admission & Discharge process, the wellness visits, meals & transport to my appointments was outstanding. VerdeCares is a Blessing to all the Verde Communities. Thank you again VerdeCares! - Rio Verde

Before VerdeCares stepped in, I felt overwhelmed after an unexpected & near catastrophic health event requiring hospitalization. From hospital to rehab to home you provided me with the resources I needed to return home & transportation to follow up on my medical appointments. It gave me a sense of community & hope. As I live alone, I was able to leave the hospital & return home knowing that I had the unwavering support of VerdeCares. You are a blessing! - Trilogy

Thank you to VerdeCares for providing the Men's/Women's Putting & Lunch Groups for those that no longer play golf but like to putt occasionally. With Memory Loss, my loved one really enjoyed this activity with the guys. Your volunteer picked him up & it meant a lot to him to be a part of a group. After his recent fall & passing, I wanted to thank VerdeCares & our Fire District. VerdeCares was always available to us whenever we needed.
